

All,

We will be resuming our training sessions on Thursday Sept 8th at 7:00pm. Hopefully everyone is recharged and ready to roll. Sessions will run from 7:00 – 8:30 for all ages until the need to split our age groups arises. I want to make a few points in this email that I feel need to be addressed as well as alert you to necessary changes in our price structure.

- September will be \$70. October- March will increase \$100 a month.
- Sibling price structure will remain 100%/50%/Free
- Classes will be Tuesday/Thursday 7:00-8:30 beginning Sept 8th
- All wrestlers must pay in order to be on the mat. We have been very lenient since we started but this will have to change. Many people have taken advantage of our generosity and unfortunately we cannot afford it. We have had too many kids come and go as they please and never pay. This is not fair to both us as owners and our good paying members. Please do not attempt to come to practice unless you have paid for the month. This is not an unreasonable request. I cannot train at my gym if I don't pay. We are going to look to have direct debit as an option to pay. We will offer a discount for signing up for direct debit.
- We strongly advise making sure we have multiple contact options for each wrestler in order to have the best chance of being advised of changes to the schedule, open mat opportunities, and guest clinicians.
- Every new wrestler can get their first class free as a trial.

Anyone that has questions or concerns please contact us at info@tenwrestling.com

Thank You,

Bob Schinder
